

14th Annual Meeting of the German-Chinese Commission for Cooperation in Standardization (DCKN)

Plenary Session

Agenda

10 September 2026

(Session will be translated DE-CN simultaneously)

Moderation: Dr. Thomas Zielke, BMW

Time	Topic	Speaker
08:30 – 08:35	Opening Remarks BMW	Dr. Thomas Zielke, Director, National and International Standardization and Patent Policy, BMW
08:35 – 08:40	Opening Remarks SAC	Ms. LIU Chengyang, Deputy Director General, Department Standards Innovation Management, SAC
08:40 – 08:45	Opening Remarks DIN	Dr. Michael Stephan, Member of the Executive Board, Department of International Affairs, DIN
08:45 – 08:50	Opening Remarks DKE	Michael Teigeler, Managing Director, DKE
08:50 – 09:15	Recent Developments in German and Chinese Standardization	Dr. Thomas Zielke, BMW LIU Chengyang, SAC

Time	Topic	Speaker
09:15 – 09:25	Report on the German-Chinese Standardization Strategy Working Group for information	Dr. Michael Stephan, DIN Michael Teigeler, DKE Comments by LIU Chengyang, SAC
Reports of the Sub-Working Groups		
09:25 – 09:40	Report on the Sub-Working Group on Industry 4.0 and Intelligent Manufacturing Signing of the Work Plan	Dr. Marvin Böll, Project Manager, Project Lead and head of SWG i4.0 delegation, DKE CHENG Yuhang, Direktor of Intelligent Manufacturing Research Laboratory, CESI
09:40 – 09:55	Report on the Sub-Working Group on Electric Vehicles Signing of the Work Plan	Mario Beier, Head of Research and Transfer Group, DIN
09:55 – 10:05	Report on the Joint Declaration of Intend on Intelligent and Connected Vehicles	LIU Shaohui, Director of the Green and Low-Carbon Department, CATARC
10:05 – 10:25	Tea/Coffee break	

Discussion on Plenary Cooperation Topics		
10:25 – 10:35	1. IEC Global Relevance Toolbox	Florian Spitteller, Member of the Executive Board and Head of External Relations & Support, DKE Comments by LIU Chengyang, SAC
10:40 – 10:55	2. Information on DPP by German Side and Industry Perspective	Benjamin Helfritz, Head of Strategic Affairs Digital Ecosystems, DIN Dr. Jens Gayko, Managing Director, Standardization Council Industrie 4.0 Industry Perspective by Dr. Adrian von Mühlennen, Chair JTC5, BASF Intertrade (CH) Comments by QIAN Heng, JTC5, Chair of Standard Institute of Emerging Technology and Innovations, Qilu University of Technology (QLUT)
10:55 – 11:05	3. Low-voltage Direct Current (LVDC)	Henrike Gördes, Head of Governance, DKE ZHANG Shaojun, General Manager, Qingdao Branch, China Quality Certification Centre (CQC)
11:05 – 11:15	4. Embodied Intelligent Robots	QU Weixin, Secretary-General, RIA Suzhou Comments by Dr. Michael Stephan, DIN

11:15 – 11:25	5. Education in Standardization	Maria Albert, DIN Florian Spitteller, DKE YAN Mingzhu, Section Chief, AMR Taicang
11:25 – 11:40	6. QI Digital	LIU Peng, Associate Research Fellow, CNIS Comments by Boris Böhme, Head of Division ID4, ICT Technical Regulation and Standardization, Product Safety, Market Surveillance, BMW Florian Spitteller, DKE Benjamin Helfritz, DIN
11:40 – 11:50	7. Civil Aviation	Maria Albert, Senior Project Manager International Relations, DIN Comments by GAO Liwen, Senior Engineer, China Aero-Polytechnology Establishment (CAPE) (online)
11:50 – 12:00	8. Technical Exchange on Semiconductors	LIN Yanghuichen, Engineer, CESI (online) Comments by Henrike Gördes, DKE
12:00 – 12:10	Group Photo	
12:10 – 14:00	Lunch	

New Topics for Cooperation		
14:00 – 14:15	1. Information on Nuclear Fusion by Chinese Side	WEI Hao, Division Director of ISO Liaison Office, SAC Comments by Dr. Michael Stephan, DIN
14:15 – 14:40	2. Information on Semantic Interoperability / Industrial Data by Chinese Side as part of the Sub-Working Group on Industry 4.0 and Intelligent Manufacturing	ZHANG Chi, Deputy Director, CESI Comments by Dr. Marvin Böll, DKE
14:40 – 15:05	3. DPP 4.0 in Energy Technology	Alexander Nollau, Head of Department Energy, DKE Comments by QIAN Heng, JTC5, QLUT
15:05 – 15:30	4. Assessment of Photovoltaic Efficiency	Alexander Nollau, DKE Comments by LIU Peng, CNIS
15:30 – 15:35	Closing Remarks SAC	Ms. LIU Chengyang, SAC
15:35 – 15:40	Closing Remarks BMW	Dr. Thomas Zielke, BMW
15:40 – 15:45	Exchange of Formal Courtesies	
15:45	End of the Meeting
